

Amato, P. R., & Booth, A. A. (1997). *Generation at Risk: Growing Up in an Era of Family Upheaval*. Cambridge, MA: Harvard University Press. "this book examines young Americans coming of age in the 1980s and 1990s among families experiencing these social changes, providing insight into how both familial and historical contexts affect young people as they make the transition into adulthood."

(Follows up substance use among cohorts of the Monitoring the Future study through their
twenties.)
